STANDING SETS by Sunset Studios

# HOLLYWOOD CONVENIENCE MEETS MODERN PRODUCTION

Located on **Stage 1** at **Sunset Las Palmas Studios**, **Standing Sets** by Sunset Studios offers five production-ready environments on a professional soundstage in the heart of Hollywood.

Sunset's pre-lit, camera-ready standing sets make it easy to capture content in one streamlined location. From vertical shoots to traditional productions, we offer the flexibility, speed and polish today's teams need.

## One rate. Up to five sets.

Get access to up to five premium standing sets for a single day rate, all within a premier soundstage environment with generous production power.

## A professional production environment.

Stage 1 pairs clean, production-ready infrastructure with the amenities of our full-service studio lot – including security, ample parking, a café and a highly-knowledgeable and service-oriented team.
